Article Numbers: 97609, 97608

Safety Instructions:

- Please do not exceed the load capacity of 1500 kg. Avoid overloading the pallet attachment above the maximum load capacity of 1500 kg.
- For stable stacking, only use in consideration of the 3-fold stackability.
- If necessary, secure sufficiently to prevent injuries during transport.
- Do not allow improper use with overloading or incorrect stacking.
- Make sure that the pallet attachment is stabilised to prevent it from tipping over.
- Only use the pallet attachment in intended applications and surfaces.
- Make sure that no fingers or body parts can become trapped between the pallet attachment and other objects.
- Use by children should be avoided as the product is not designed for this age group.
- Keep the pallet attachment away from moisture to prevent damage.
