Article Numbers: 97611, 97610

Safety Instructions:

- Stack securely to prevent tipping. Ensure that all stacking corners and stabilising tubes are correctly fitted.
- The product is designed for weight restrictions of up to 750 kg. When stacking, ensure that this maximum load of 750 kg is not exceeded.
- Wear suitable personal protective equipment when handling the product. Keep hands away from pallet collars when stacking to avoid injury.
- Check for damage before use to avoid safety risks.
- Observe protective measures to avoid stresses and deformations that could impair stability.
- The product is intended for professional use and is not suitable for use by children.
