Please note the technical data of the products!

Article Number: 91973

Safety Instructions:

- Make sure that no fingers or hands can become trapped between the plates and the handles during lengthwise transport.
- Only use the plate trolley within the specified load capacity of 200 kg to avoid overloading.
- When transporting panels, ensure that the panels are correctly positioned to prevent them from sliding down.
- To avoid injury, do not use the plate trolley on uneven or slippery surfaces.
- The use of protective clothing, such as gloves, is recommended to avoid injuries caused by sharp edges or heavy loads.
