Article Number: 91995

Safety Instructions:

- Ensure that the panel trolley is not overloaded (max. load capacity: 1200 kg).
- Ensure that the panels to be transported are placed securely on the loading surface to prevent them from slipping.
- Only use the panel trolley on level surfaces to avoid accidents.
- Regularly check that the swivel and fixed castors are in good working order.
- Wear suitable protective equipment (e.g. safety shoes) when handling heavy panels.
- Keep the work area free of obstacles to prevent falls and injuries.
