

Product Safety Information

Wedge pallet, with 9 feet

Manufacturer/Responsible Person: KIGA Kunststofftechnik GmbH, Gießener Straße 3, 57234 Wilnsdorf, Deutschland

E-Mail: info@kiga-gmbh.de

Please note the technical data of the products!

Article Number: 150047

Safety Instructions:

- The pallet is not suitable for direct sunlight in order to avoid discolouration of the material.
- When using heavy loads, ensure that the load capacity is not exceeded: static maximum 5000 kg, dynamic maximum 1500 kg.
- Use protective clothing when moving heavy or awkward objects.
- Not suitable for use in extreme temperatures below -30 °C or above +60 °C.
- The pallet should be used on a flat surface to prevent it from tipping over or slipping.
- Do not allow children access to this product to avoid the risk of injury.
