Article Number: 38970

Safety Instructions:

- Caution: If not installed correctly, the product may fall over and endanger people.
- The base plate must be securely anchored to prevent the bollard from slipping.
- The product may become unstable in strong winds or unfavourable weather conditions.
- Not designed as a fall arrest or protective measure in the event of accidents.
- Keep the packaging and installation instructions so that you can refer to them in the event of problems.
