

Product Safety Information

Stainless steel bollard, with hemisphere, fixed with ground anchor

Manufacturer/Responsible Person: Autasi GmbH, Viehwasen 18, 70327 Stuttgart, Deutschland

E-Mail: info@autasi.de

Please note the technical data of the products!

Article Number: 38975

Safety Instructions:

- Caution: Risk of injury due to the bollard falling down if not properly set in concrete
- Ensure that the bollard is firmly anchored in the ground to prevent it from falling over
- Observe the recommended load capacity to prevent breakage or deformation
- Children should be kept away from the assembly and installation site
- Use suitable protective measures (e.g. gloves, safety goggles) during installation
