Article Numbers: 26606, 26603

Safety Instructions:

- Make sure that the support post is securely anchored in the ground to prevent tipping and the risk of falling.
- Protect the surface of the upright from sharp objects to prevent damage.
- Avoid using the stand in extreme weather conditions that could affect its stability.
- Make sure that all parts are properly fastened after assembly and that the product is stable and securely mounted to prevent damage.
- Regularly check the condition of the upright, the connections and the crossbars for cracks, wear or other damage.
- All manufacturer's instructions must be followed during installation.
- Users should consider the load-bearing capacity of the structure, especially for extendable use.
- Do not use the product as a support or as part of structural modifications that are not authorised by the manufacturer.
- The product is not intended for use by children and should be kept out of their reach.
