Safety Instructions:

- Risk of injury due to improper handling or installation.
- Use of special plugs and screws required to ensure safety.
- Only install the product on stable, load-bearing surfaces.
- Installation must be carried out by a qualified specialist, especially for heavy/large models.
- Avoid contact with mechanical hazards to prevent damage or injury.
- Before installation, ensure that the surface is suitable.
- In the event of damage or deterioration, discontinue use immediately and inform the manufacturer.
- Avoid use outside the intended applications.
- Keep children and vulnerable persons away.
