Safety Instructions:

- Ensure that the impact protection bracket is stable during installation.
- Avoid use in extreme weather conditions without safety measures.
- Watch out for hazards from sharp edges of the impact protection bar; wear protective gloves.
- Improper use may result in injury or damage to property.
- Secure the area during assembly to prevent accidents.
- Check the load-bearing capacity of the substrate before installation.
- Wear protective clothing, including gloves and safety goggles, during installation.
- Be aware of the risk of mechanical injury during handling.
- Never use the crash bar as a climbing aid or support.
- Regularly check for damage and stability of the bull bar.
