## Safety Instructions:

- Not suitable for direct contact with food.
- Smaller pieces could pose a choking hazard if used improperly.
- If stored incorrectly, the product may attract moisture and be damaged as a result.
- The product is not suitable for children, but can be used by children due to its shape and colour.
- Take care to keep the product away from fire and heat sources as it is made of paper-based material.
- Ensure that the product is stored in a dry place to prevent deterioration.
- The product should not come into contact with liquids, as it can be damaged by moisture.
