Safety Instructions:

- Not suitable for contact with food. Do not use for packaging foodstuffs or similar, as food safety cannot be guaranteed.
- Avoid contact with sharp or pointed objects to prevent damage. Cannot protect against sharp edges if used incorrectly.
- Not suitable for children under 3 years of age as there is a choking hazard due to small parts. Can be used by small children as play material, supervision required.
- Dispose of in accordance with local regulations; do not dispose of in household waste. Dispose of packaging safely after use to minimise environmental impact.
- Do not use near naked flames or other heat sources. Ensure that the product is not exposed to excessive heat or direct sunlight to avoid melting or deformation.
- Product not suitable for use as protective clothing or for other applications requiring special safety requirements.
- Check for damage before use. To minimise safety risks, do not use damaged products.
- Not suitable for permanent outdoor use as material can be degraded by UV light.
- Improper use could cause the product to break and create sharp edges.
- The film can become electrically charged, so take care when handling in dry environments.
- Do not use as a toy; choking hazard due to small parts if used improperly.
