Safety Instructions:

- Not suitable for children as there is a choking hazard due to possible small parts.
- Blankets must not be used near open flames or sources of fire to avoid the risk of fire, as the material is flammable.
- Use in conjunction with aggressive chemicals or solvents should be avoided to prevent material damage.
- Protective blankets should be stored in a dry place to prevent mould growth and loss of quality.
- If used improperly, the covers can slip and cause tripping hazards.
- Do not use product to cover live animals or for use in water.
