Safety Instructions:

- Only use the hand pallet truck on level ground to prevent it from tipping over.
- Take care when loading and unloading to avoid overloading. Max. Load capacity: 700 kg.
- To prevent injury, do not allow the vehicle to be driven without an operator.
- Ensure that the safety handle is used for checking.
- Avoid oversteering to prevent imbalance and falls.
- Regularly check the automatic parking brake for functionality.
- Warning of crushing hazard due to small parts and moving parts, especially for children.
- Regularly check for wear or damage; take out of service in the event of defects.
- Caution: Risk of suffocation due to unsecured drop sides.
- Risk of slipping and tripping when handling the drawbar.
- Not suitable for use by children without supervision.
- Restriction of use on uneven terrain or stairs.
