Safety Instructions:

- Check the product for safe use before use.
- Pay attention to the weight of 7.5 kg to avoid injuries when lifting.
- Avoid improper handling to prevent damage to the product.
- Ensure that the rubber seal is intact to protect the contents.
- Do not use the product near open flames or extreme temperatures to avoid the risk of fire and material damage.
- Keep children away from the Maxi-Box to minimise the risk of injury.
- Take care not to overload the box to avoid breakage or deformation.
- The box does not contain any toxic materials; however, make sure that the use in contact with food complies with the regulations.
- To avoid the risk of falling, do not use the box as a seat.
- Make sure that the box is stable when stacked to prevent it from tipping over.
