**Article Number:** 173562

### **Safety Instructions:**

- Make sure that you do not overheat your tablet case or expose it to direct sunlight to prevent damage to the material.
- Take care when handling the zip to avoid crushing.
- The product is not suitable for children under 3 years of age due to small parts that may pose a choking hazard.
- Follow the instructions for safe use of the flexible holder mechanism to prevent the tablet from accidentally falling out.
- Avoid using the product in humid environments to protect the materials.
