Article Numbers: 153511, 153510, 153509

Safety Instructions:

- Not suitable for children under 3 years of age due to the risk of choking on small parts; keep out of reach of children.
- Protect the screw cap from heat, direct light sources and UV radiation to prevent material changes.
- Do not bring into contact with food if the can is not specifically authorised for this purpose; clean and disinfect thoroughly before first use.
- Please avoid contact with hot liquids to prevent scalding.
- The screw-top jar should not be used in the microwave to avoid overheating or deformation.
- Must not be washed in dishwashers to prevent damage to the material.
- Before use, ensure that the can is not damaged to minimise the risk of food contamination.
- Suitable for frozen products; observe the recommended temperatures to avoid cracking or breaking.
- Avoid use in extreme chemical environments despite chemical-resistant material.
- Contains no chemical risks as it is made of food-safe polypropylene.
- Include safety instructions for use and disposal in a language that is easy to understand.
