Safety Instructions:

- The product is not suitable for children under 3 years of age as it contains small parts that could pose a choking hazard or be swallowed.
- Only use the drawer box for its intended purpose in order to avoid damage or injury.
- Please note that the drawer box should be used safely to avoid injury.
- Caution: Please do not overload the drawer box or exert excessive pressure on the drawers to avoid tipping and jamming.
- Check the stability of the drawer box regularly, especially when stacking units. A maximum of 3 drawer boxes can be stacked to prevent tipping.
- Keep this drawer box away from water, moisture, direct sunlight and extreme temperatures to prevent material damage, discolouration and deformation.
- Avoid using the box in the immediate vicinity of heat sources, as this can lead to damage.
- In the event of improper use or heavy wear, discontinue use to avoid damage or injury.
- The drawer box should stand stably and securely on a flat, non-slip surface to prevent it from tipping over or falling.
- Do not use the box for heavier objects than it is designed for.
