Safety Instructions:

- Not suitable for children under 3 years of age as there is a choking hazard due to small parts. Keep out of the reach of small children.
- Product not suitable for use in damp environments. Avoid contact with water to prevent damage to the polystyrene.
- Do not overload the drawer box and observe the maximum weight. Fill evenly for safe stacking.
- Make sure that the drawers are fully closed before stacking the box to prevent it from tipping over.
- Avoid using the box as a seat to prevent it from tipping over or causing injury.
- Ensure that the product is placed on a stable surface to prevent it from tipping over.
- Drawers can be removed if not handled properly - make sure that children do not play with them.
- Do not exert excessive pressure on the drawers to avoid damage.
- Avoid contact with hot surfaces or heat sources to prevent material deformation or melting.
