Safety Instructions:

- Take care when using to avoid injury from sharp edges.
- The appliance is not suitable for children under 3 years of age as it may contain small parts.
- To avoid injury, do not hold your fingers in front of the appliance or make direct contact with the tips of the clamps.
- Only use in accordance with the instructions to ensure safety.
- Handle with care to avoid injury from the clamp.
- Keep out of the reach of children to prevent the risk of suffocation and injury due to improper use.
- Improper use may result in damage to the appliance or injury.
- Ensure that the device is only used with the specified staples no. 10 to prevent clogging.
- Do not overload the device, otherwise the stapling performance will be impaired.
- Ensure that the appliance is switched off before use if the stapler is being used.
- Do not use the stapling machine near water or in damp environments. Do not bring into contact with electricity or other electrical devices.
- Ensure that the appliance is used on a stable, level surface to avoid accidents.
