Safety Instructions:

- Take care when handling sharp blades; risk of injury from sharp edges and mechanical parts.
- Product not suitable for children under 3 years of age due to choking hazard from small parts.
- Handle the appliance safely in accordance with the instructions supplied to avoid injury.
- If the appliance malfunctions, contact the manufacturer immediately.
- Only use the stapler with the staples provided (no. 10). Check regularly that all staples are present.
- Ensure that the stapler and hole punch are used on a stable surface.
- Use an ergonomically designed grip zone and check regularly for wear and tear to prevent hand injuries.
- Suitable storage to prevent inappropriate access by children.
- Read and follow the safety instructions carefully before use.
- Avoid direct contact with moving parts - risk of finger injuries.
- Prevent overloading the stapling device to avoid malfunctions and injuries.
