Safety Instructions:

- Always read the operating instructions before use.
- Product may only be used in dry indoor areas.
- Do not overload: Do not exceed the maximum load capacity.
- Do not use if damaged.
- Ensure that the cable is not damaged and that there is no overheating.
- Ensure safe and stable positioning during use.
- Do not use the cable reel in the rain or in damp environments.
- Take care not to overload the cable to avoid overheating.
- Avoid contact with water to prevent electric shocks.
- Keep children away from the cable reel to avoid injury.
- Make sure that the cable reel is standing on a level, stable surface to prevent it from tipping over.
- Check the cables and sockets regularly for damage.
- Follow the instructions for correct use and maintenance of the cable reel.
- Only use indoors or on hard building sites.
- Check for visible damage before use.
- Ensure that the cable reel is fully rolled up before putting it into operation.
- Ensure that the cable reel is not immersed in water or moisture.
