Article Number: 91332

Safety Instructions:

- Ensure that the tensioning strap is securely and correctly fitted to prevent slippage or failure.
- Be aware of the risk of injury due to improper use, especially when handling the loops and hook safety devices.
- Only use for the load securing of Box 2000. Not suitable for other applications or products.
- Avoid running the belt over stressed or sharp edges to prevent damage.
- Do not use the tensioning strap if there are signs of wear or damage.
