Article Number: 91333

Safety Instructions:

- Ensure that the tensioning strap is not overloaded to prevent it from breaking.
- Keep children away from using the instep guard, as injuries could occur in the wrong hands.
- Avoid contact with sharp edges or aggressive chemicals so as not to impair the service life of the material.
- Follow the instructions for the correct use of the instep protector exactly to minimise the risk of injury.
- Carry out regular inspections for wear or damage before using the tensioning strap.
