Please note the technical data of the products!

Article Numbers: 91309, 91308, 91307

Safety Instructions:

- Observe and do not exceed the maximum load capacity of 800 kg.
- Observe the maximum load of 1000 kg.
- Do not stack above the recommended stacking height of 3 units to avoid the risk of tipping over.
- When using on uneven floors, keep stable or avoid tipping.
- Ensure that the castors function properly and are regularly checked for damage or deposits, especially with heavy loads, to avoid the risk of suffocation due to misuse.
- The box should only be stacked by experienced personnel to avoid injury.
- All safety instructions and installation documentation must be read carefully before use.
- Ensure protection against crushing when folding down the front wall.
