Please note the technical data of the products!

Article Number: 23743

Safety Instructions:

- Please ensure that the protective cover is correctly attached to the stretcher to avoid injury.
- The protective cover is not suitable for use at temperatures above 60°C, as this can cause damage.
- Make sure that the protective cover does not come into contact with sharp objects to avoid tears and holes.
- For general safety, all users should carry out installation and use in accordance with the manufacturer's instructions.
- Warning: The protective cover is not waterproof and does not protect against liquids.
