Safety Instructions:

- Make sure that the mat is used on a clean, dry floor and, if possible, not in wet or oily conditions to ensure slip resistance.
- Make sure that the mat does not fold or slip when you stand on it to prevent falls.
- The mat is not intended for use in medical facilities or places where hygienic conditions are required.
- When using the mat, regular inspections for wear or damage must be carried out to ensure safety.
- Use suitable cleaning agents so as not to impair the slip resistance.
