Safety Instructions:

- Take care when using on wet or oily floors, as this can impair slip resistance. Avoid the risk of slipping if the mat is wet or oily. Be careful in heavy rain or snowfall as the mat may become slippery.
- Check regularly for wear and damage to ensure continued safety.
- The mat should be cleaned if it becomes dirty to avoid impairing standing comfort.
- For commercial applications, use in combination with suitable anti-slip measures is recommended.
- The mat is not suitable for sitting or lying on.
- Not suitable for use in areas with open flames or high temperatures.
