### Safety Instructions:

- Avoid slipping on the mat in wet conditions or on slippery surfaces to reduce the risk of slipping.
- Check the mat regularly for damage and do not use if there are any defects to avoid injury.
- Improper use and excessive load can damage the structure of the mat.
- Do not run or jump on the mat to protect the structure.
- Recommended for use under occupational conditions only.
- Avoid adding moisture so as not to damage the structure of the mats.
- The mat is flame retardant but not fireproof; keep away from naked flames.
