Safety Instructions:

- Product has sharp edges, use protective equipment such as gloves to avoid injury.
- Fastening material not included in the scope of delivery, procure suitable material separately to ensure secure installation.
- Ensure that the perforated plate is stable and securely mounted to prevent it from falling.
- Use by children only under supervision to prevent injury.
- Product not suitable for children under 3 years of age due to potential risk of injury from sharp edges or small parts.
- Use only for the intended purpose; tool installation provides for correct assembly to minimise risks.
- Use suitable tools for assembly to avoid injury.
- Avoid overloading the perforated plate and ensure that the load-bearing capacity is checked.
- Only install on stable and load-bearing surfaces to prevent tipping or slipping.
- Wear protective goggles and gloves when handling sharp edges and during assembly.
- Regularly check the stability of the mounted perforated plate and the attached objects.
