

Product Safety Information

Robust snow pusher SCH-G 150

Please note the technical data of the products!

Article Number: 73700

Safety Instructions:

- When using the snow pusher, please note that it weighs a heavy 172 kg, which can lead to injuries if it is not handled safely.
- Wear suitable protective equipment, including gloves and non-slip shoes, to avoid injury.
- Make sure that there are no other people in the danger zone when using the device to avoid collisions or accidents.
- Avoid overloading the snow plough, especially when using it on steep surfaces, to prevent accidents caused by tipping over.
- Regularly check the wearing parts, especially the rubber scraper blade, to ensure safe operation.
