

# Product Safety Information

## Mobile welding protection panel, 3-piece, 2 mm thick slats, EN ISO 25980, W 3800 x H 1920 mm, d.green or red

**Manufacturer/Responsible Person:** KEMPER GmbH, Von-Siemens-Str. 20, 48691 Vreden, Deutschland  
**E-Mail:** mail@kemper.eu

Please note the technical data of the products!

**Article Numbers:** 91966, 91965

### Safety Instructions:

- Avoid high-voltage arcs during welding.
- Ensure that the protective wall is properly installed and stable.
- Before use, check that the castors are functioning correctly and check the stability and parking brakes regularly.
- Check the slats regularly for damage and replace if necessary to avoid the risk of suffocation.
- Compliance with DIN EN ISO 25980 for welding work to ensure safety.
- Wear protective masks and other personal protective equipment, use suitable PPE when welding.
- Use only for the intended purpose.
- Minimise risk by maintaining safety distances during welding.
