Article Numbers: 25631, 25630, 25629, 25628, 25627, 25626, 25210, 25208, 25207

Safety Instructions:

- Make sure that small parts cannot be put in the mouth by children. Not suitable for children under 3 years of age. Choking hazard due to small parts.
- The product should be kept away from children to minimise the risk of injury from parts or edges.
- Do not use the product in a damp or wet environment to avoid the risk of slipping. Keep the product away from water and other liquids to prevent damage.
- Only use for the intended purpose to minimise risks. Only use the product for its intended purpose to avoid injury.
- Ensure that the product is in a stable position to prevent it from tipping over. Use on a stable base to prevent tipping over. Before use, ensure that the sorting station is positioned on a stable and level surface.
- Avoid loading the sorter beyond the maximum recommended load to prevent damage. Ensure that the maximum load is not exceeded.
- Make sure to keep the sorting station stable to prevent it from tipping over.
- To avoid material failure or damage to the unit, avoid overloading the compartments beyond the weight limits recommended by the manufacturer.
- When using as a table top or in conjunction with a fax/copier/printer, suitable measures must be taken to ensure stability.
- Watch out for sharp edges or corners to avoid injury.
- Do not use the product in areas with high temperatures or high humidity.
- The product is designed for use in office areas; improper use may result in damage or injury.
