Safety Instructions:

- Caution: Sharp edges can cause injuries, do not use sharp objects for processing; use suitable tools.
- The station must be set up safely and placed on a stable, level surface to prevent it from tipping over and to prevent injuries caused by heavy paper units.
- Do not use near water or damp places; contact with water may damage the material.
- Not suitable for children under 3 years. Choking hazard due to small parts. Keep children away from the station to avoid climbing and injuries.
- The product is not suitable for food storage, please ensure proper use.
- Risk of parts breaking off; may pose a choking hazard.
- Ensure that the item is suitable for the intended use and environment, especially in the office.
- Avoid overloading the compartments and exerting excessive pressure to prevent damage to the product and injury.
- Regularly check for damage to avoid hazards due to improper handling.
- Ensure that the station is positioned in an area where there is no electrical hazard.
