Safety Instructions:

- Choking hazard due to small parts. Keep away from children. The product is not suitable for children under 3 years of age.
- Risk of electric shock in the event of improper handling or damage to the electrical components. Do not use near water sources.
- Product may only be used in dry indoor areas. Not suitable for outdoor use.
- Please read the operating instructions carefully before use and keep them in a safe place.
- Regularly check for damage and discontinue use if the product is damaged. The power supply unit and other electronic components must not be damaged.
- Only use the product in accordance with the instructions to avoid safety risks.
- Ensure safe handling and regular cleaning to minimise the risk of fire. The table lamp can become hot; ensure that it is not covered or placed near flammable materials.
