

# Product Safety Information

## Color-Copy laser and copy paper, 250 sheets

**Manufacturer/Responsible Person:** Inapa Deutschland GmbH, Osterbekstraße 90a, 22083 Hamburg, Deutschland

**E-Mail:** hemer@inapa.com

Please note the technical data of the products!

**Article Numbers:** 24901, 24897, 24853, 24851

### Safety Instructions:

- The paper should not be placed near sources of fire or intense heat in order to avoid the risk of fire.
- Smaller pieces of paper could pose a choking hazard for small children. Not suitable for children under 3 years of age.
- Not suitable for direct contact with food.
- Store the product in a dry, cool place to ensure quality.
- Ensure that the paper is used with appropriate printing methods to avoid printing errors or paper jams. Refer to the appropriate printer manual and follow the printer specifications and recommendations.
- Use the paper in accordance with the relevant certificates such as ISO 9001, ISO 14001 and FSC to ensure quality and safety.
- Avoid direct contact with water, as the paper can become soaked.
- Dispose of the product in accordance with local regulations.
- When used in printers, heat and pressure can affect the paper properties.
- For archiving purposes, we recommend papers that are resistant to ageing in accordance with ISO 9706.
- Include safety information and instructions in plain language.
- No direct risks to consumer health and safety identified.
