Safety Instructions:

- Please keep out of the reach of children. Not suitable for children under 3 years of age, as small parts pose a choking hazard and can be swallowed.
- The ink is xylene and toluene-free, but can cause skin irritation and is not suitable for consumption.
- In case of skin contact with ink, wash off immediately with soap and water. In case of contact with eyes, rinse thoroughly with water and seek medical advice if necessary.
- Do not use on food or surfaces in contact with food.
- Test on a small area before use to ensure that the surface is not damaged. For intended use only on whiteboards.
- Do not store pens near heat sources or in direct sunlight. Store in a cool, dry place to preserve the quality of the ink.
- May stain surfaces and clothing if used incorrectly.
- Do not use if the product is damaged or no longer functions correctly.
- Always read the label and product information before use. Observe the packaging information and instructions for safe use before use.
- Use in well-ventilated areas to avoid possible unpleasant odours. Indoor use is recommended to minimise ink inhalation.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
