Please note the technical data of the products!

Article Numbers: 49528, 49527, 49526, 49525, 49524, 49529

Safety Instructions:

- Choking hazard due to small parts, especially for children under 3 years of age.
- Not suitable for children under 3 years due to small parts.
- Magnets can crack or break if handled incorrectly and cause injury.
- Risk of injury due to shearing forces if handled incorrectly.
- Do not bring magnets close to electronic devices as they may impair their function.
- Attention: These magnets have a high adhesive force of 1 kg, keep them away from electrical devices and sensitive surfaces.
- Please do not use the product in the vicinity of magnetic codes, as this can lead to malfunctions, e.g. credit cards and computer chips.
- Avoid contact with magnets and medical devices or electronic implants.
