Safety Instructions:

- Ensure that the flipchart is placed on a stable and level surface to avoid the risk of tipping.
- When adjusting the height, ensure that the fixing screws are fully tightened.
- Avoid contact with water or other liquids on the board surface to prevent damage.
- Limit the use of markers that are suitable for the specific type of board surface.
- Keep small parts such as markers or accessories out of the reach of children to avoid the risk of choking.
- When adjusting the tripod, make sure that all legs are correctly extended to ensure stability.
