### Safety Instructions:

- Caution: If used incorrectly, there is a risk of injury from the spring mechanism of the tape measure.
- Please ensure that the tape measure is checked for damage before use to prevent injury.
- Do not use near electrical cables or water to avoid the risk of electric shock.
- Take care when using near sharp edges to avoid cuts.
- Make sure that the tape measure does not fall down to avoid injury from falling objects.
- Keep the tape measure out of the reach of children to avoid the risk of choking and swallowing.
- Only use the tape measure on firm and stable surfaces to avoid the risk of falling.
