Safety Instructions:

- Only suitable for stationary use. Set up on a stable surface.
- Avoid tipping over: There is a risk of tipping over if the container is overfilled or incorrectly installed. Place the container in a safe and stable position.
- Risk of suffocation due to improper filling or overfilling.
- Risk of injury due to improper handling or emptying. Follow the instructions.
- Not designed for children. Take measures to restrict access.
- Not a food container. Use only for the intended purpose.
- Use suitable material for durability. Check regularly for damage or wear. Repair or replace if necessary.
- Auxiliary equipment must be used for short-term transport. Take care when lifting and distribute the load correctly.
- Ensure that waste bags are securely attached in accordance with the instructions.
- Do not bring in any unsuitable objects.
