Safety Instructions:

- Choking hazard due to small parts - not suitable for children under 3 years of age. Keep the product away from children.
- Dangerous movements when lifting - watch your back posture. Take care not to lift heavy objects above the recommended weight.
- Check the stability before filling with heavy materials. Make sure that the container is not overfilled to prevent it from tipping over. Prevent tipping - before emptying, ensure that the recyclables collector is standing on a stable and flat surface.
- Use with a suitable waste bag to prevent overflow. Only open and close the throw-in opening with one hand. Ensure that sharp objects are disposed of properly to avoid injury when changing the waste bag.
- Sharp edges or corners - handle with care.
- For safe transport and handling, ensure that the recyclables collector is not overloaded.
- Avoid moving the recyclables collector improperly on uneven ground.
- Injuries can occur if used incorrectly. Follow the instructions for use.
