Safety Instructions:

- Can cause injury if not installed or used correctly.
- Not suitable for children under 3 years of age due to the risk of choking.
- Follow the instructions for safe installation and handling.
- Prevent objects from being placed on the locker and cupboard roofs to avoid the risk of falling.
- Make sure that the locker is open at the back to avoid the risk of suffocation from falling forwards.
- When retrofitting, ensure the stability of the product to prevent injuries caused by lockers tipping over.
- Follow the installation instructions carefully to minimise safety risks.
