Safety Instructions:

- Prevent objects from being placed on the locker roofs to avoid the risk of falling and tripping.
- Ensure that the pitched roof is properly mounted to prevent injuries caused by blockages or instability.
- The products are suitable for adults. Keep children away to minimise the risk of injury.
- Regularly check the securing of the assembly to avoid loosening or weaknesses.
- Handle the locker and the pitched roof with care to avoid damage and associated safety problems.
- The product is open at the back, so be careful in the rear area.
- When installing, make sure the base is stable to prevent it from tipping or falling over.
- Follow the installation instructions carefully to avoid installation errors.
