Safety Instructions:

- Small parts may present a choking hazard and the product is not suitable for children under 3 years of age.
- There is a risk of injury if drawers or removable storage boxes are handled incorrectly.
- The high container must be mounted on a stable, level base and positioned securely to prevent it from tipping over.
- Use only for the intended purpose and not suitable for children to avoid accidents caused by climbing or playing.
- There is a risk of swivelling or tipping if the container is not correctly adjusted. Height-adjustable floor glides should be checked regularly to ensure stability.
- Be careful when opening and closing the drawers to avoid crushing hazards; use the soft-close system correctly.
- Do not overload the container to avoid damage to drawers and stability problems.
- Only use the supplied tilt key to prevent unauthorised access and to ensure the security of documents.
- Do not use the product for explosive or flammable materials.
- Include clear instructions for installation and use to ensure safe application.
