### Safety Instructions:

- The product should not be exposed to moisture or water to avoid damage and loss of magnetic force.
- The product is not suitable for children under 3 years of age, as small parts can be swallowed. Children should not be able to reach the product to avoid injury or danger from magnetic elements.
- When using magnetic frames on vertical surfaces, it should be ensured that there is sufficient adhesive force to prevent them from falling down.
- Take care when handling with sharp edges or when removing from the surface to avoid injury and damage.
- Do not use on extremely hot or cold magnetic surfaces or magnetic surfaces that are unsuitable for magnetic frames. Avoid direct sunlight to prevent discolouration or deformation.
- The product should only be used for its intended use on magnetic surfaces and should not be used for the placement of food or hazardous substances.
