Safety Instructions:

- Keep the product away from children, as it could possibly be used as a toy and there is a risk of suffocation from small parts if used incorrectly.
- Avoid direct contact with food, as the product is not designed as food packaging.
- Dispose of the product properly in accordance with local waste disposal regulations.
- Risk of suffocation due to improper use, especially when using small parts or long straps.
- Risky use when securing electrical cables or devices.
- Risk of injury due to improper handling or use with electrical appliances.
- Safety information regarding use in the agricultural sector.
- Note on safe use when bundling cables and materials.
- Please use the product only for its intended purpose and follow the instructions for safe use.
- Safety requirements for labelling to avoid misunderstandings about use.
