Article Numbers: 191763, 191762, 191761

Safety Instructions:

- Avoid improper handling of the barrier posts to prevent injuries.
- Check the stability of the product before use and ensure that the posts are mounted stably on a level surface to minimise the risk of falling and tipping over.
- Observe the maximum belt extension length of 2.3 m to avoid potential hazards.
- Keep the barrier posts away from children, as there is a risk of suffocation and injury. The product is not a toy.
- Only use the product in accordance with the instructions for installation and use.
- Avoid direct contact with sharp edges to prevent injuries.
- Keep the area around the posts free of obstacles to avoid tripping hazards.
- The appropriate safety precautions must be observed during installation.
- Ensure protection against impacts or crushing due to movement of the post.
