Article Numbers: 191317, 191316

Safety Instructions:

- Suitable for indoor use only.
- Distribute heavy objects evenly on the floors to ensure stability.
- Before using on smooth floors, lock the double castors in the fixed position.
- Do not overload; do not exceed the load capacity per shelf (60 kg).
- Take care when handling; sharp edges on the steel frame can cause injuries.
- Please secure heavy objects to prevent them from tipping over.
- Only use the trolley on level surfaces.
- The castors must be secured when using the trolley to prevent unintentional rolling.
- The use of the trolley by children without supervision is not recommended.
