Safety Instructions:

- The bench is not suitable for children. Risk of suffocation due to improper use.
- Place the bench on a stable surface to prevent it from tipping over. Non-slip pads are recommended for smooth floors.
- Regularly check the fastenings of the levelling feet to ensure stability and check for damage, especially on chrome-plated feet.
- Avoid overloading the bench and observe the maximum load capacity. Suitable for people without limited mobility.
- Clean stains and soiling immediately and do not treat soft materials with sharp objects or chemical cleaners in order to avoid material damage.
- Beware of the moving parts of the bench seat due to possible risk of injury.
- In the event of a change of use, especially in a commercial environment, implement suitable safety measures.
- Beware of sharp edges or corners of the bench.
